| **Subject:** | Free Audio Book Friday: This Side of Paradise by F. Scott Fitzgerald |

LearnOutLoud.com

# Free Resource - June 1st, 2012

## Free Resource of the Day

**This Side of Paradise**

Listen to F. Scott Fitzgerald's debut novel published in 1920. The book follows young Midwesterner Amory Blaine who heads out for Princeton, serves in World War I, and then returns to New York where he falls in love. H.L. Mencken wrote that *This Side of Paradise* was the "best American novel that I have seen of late." It was a popular novel that earned Fitzgerald renown and is in many ways autobiographical. The unabridged 10-hour novel is read by Mark F. Smith at Librivox and available for free on MP3 audio download.

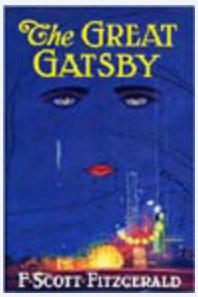
## F. Scott Fitzgerald Audio Books

**Featured Section**



**F. Scott Fitzgerald Audio Books**

F. Scott Fitzgerald, who is regarded as one of the greatest American writers of the 20th century, is the author of many novels and short stories. The writer was born to an upper middle class American family on September 24, 1896. In the 1920s, Fitzgerald traveled to Europe where he established a close friendship with fellow writer Ernest Hemingway.

It was during that time, also known as the Jazz Age, that Fitzgerald produced his masterpiece, **The Great Gatsby**. However, it wasn't until after the author's death in 1940 that **The Great Gatsby** was recognized as one of the great American novels. Fitzgerald's only commercial success came from **This Side of Paradise**, his first novel. His second novel, **The Beautiful and Damned**, is believed by many to be based on his marriage to Zelda Fitzgerald. In the author's later years, he worked in Hollywood producing commercial short stories and his final novel, *The Last Tycoon*, wasn't published until after his death at the age of 44.

If you love short stories, try Fitzgerald's **The Curious Case of Benjamin Button and Other Jazz Age Tales**, which is available as a download. The author's second novel, **The Beautiful and Damned** is also available as an audio download. If you're interested in the timeless classic, **The Great Gatsby** it is conveniently offered in audiobook on CD and MP3 download formats.

## Guide to Audio Tours

**Guide to Audio Tours**

With the proliferation of the iPhone, iPod, and portable MP3 players, audio tours have become an increasingly popular way to explore new places when traveling to tourist destinations. They're cheaper, less obtrusive, and often better than taking a guided walking tour or bus tour of a city. We thought we'd put together a comprehensive resource of the audio tours available throughout the world (most of them we don't have up on the site yet so we're linking directly to them). We've separated them according to U.S. Cities, European Cities, Other World Cities, and Museums throughout the World.
